GCMC is a non-profit organization advocating for excellence in community music. We join non-professional music groups into a mutually supportive foundation aiming to strengthen the future and accessibility of community music. We connect students, amateur musicians, and experienced professional educators. Everybody should have the opportunity to learn and make music! We are entirely volunteer run and open to all. Will you help support our mission? Here are some ways!

JOIN US!

Whether classically trained or new to singing, come grow our community with us! Rehearsal begins 14 March for our next choral concert cycle. Visit gothamcitymusic.org/join to sign up! Prefer the bassoon? Help us build our instrumental music groups! Find out what GCMC can do for your music group.
